SUBJECT **DECLARATION OF COMPLIANCE WITH PPWR**

1. Supplier:
FERONA Slovakia, a. s.
The company is a wholesale supplier of metallurgical materials, providing material processing, transportation and steel coil slitting services.

2. Subject of the Declaration:
Packaging systems used for the packaging, protection, securing, handling, storage and transportation of steel products supplied by FERONA Slovakia, a.s.

3. Declaration:
FERONA Slovakia, a.s. hereby declares that the packaging used for the goods supplied complies with the applicable requirements of European legislation concerning:

- PPWR (Packaging and Packaging Waste Regulation),
- PFAS (per- and polyfluoroalkyl substances) and related restrictions and requirements.

Based on the information currently available, our internal regulatory compliance procedures and the declarations provided by our suppliers, we confirm that the supplied products and the packaging used comply with the above-mentioned requirements and do not contain any substances or materials at concentrations that would result in non-compliance with applicable legislation.

We confirm that the packaging supplied by us fully complies with the legal requirements set out in Article 5(4) of Regulation (EU) 2025/40 on packaging and packaging waste. This includes the total concentration of lead, cadmium, mercury and hexavalent chromium, which does not exceed the legal limit of 100 mg/kg in the packaging supplied.
This declaration is issued in good faith on the basis of the information currently available and is valid as of the date of issue.

This declaration is issued in good faith on the basis of the information currently available and is valid as of the date of issue.
